

# ECO CONE

ECO FOR ECONOMY - ECO FOR ECOLOGY

## Our new ECO-Cone is here!

This patented Cone is made from our proprietary formula: amazingly pliable to withstand rollovers AND will not sag in extreme heat OR crack in extreme cold

- Multiple handle tops available per your specification
- Made in the U.S.A.
- 100% recyclable, "tough as nails" durable material
- 28" ECO-Cone available in 3, 7 and 10 lb. weights
- Also in 12" and 18" sizes
- Emboss your Company logo
- Base made from 100% post-consumer recycled tire rubber out of U.S.A. landfills
