

**“UVP 1236”  
UNIVERSAL VERTICAL PANEL  
TD6500 MODEL**

***The New Standard for Vertical Panels***

**NCHRP350 Compliant: WZ-271**

**MASH Compliant Category 1 Device**

- Injection molded vertical panel for increased durability (an industry first).
- Extra large handle for sure handed gripping.
- Signage area accepts easily-replaceable reflective sheeting or customized signage and is recessed to protect sheeting from “wear & tear”.
- Stacking tabs work in both directions to allow flat stacking.
- When used with 24” tall reflective sheeting, lower area may be customized with large printed logo.
- Unit stabs securely into our 100% recycled “Diamond Series” Base, but easily detaches upon impact - thereby saving the Panel.

Recycled Content of Vertical Panel: 95%.  
Recycled Content of Rubber Base: 100% Post-Consumer Recycled Rubber.
