

**RINGTOP™**  
**4" TUBE DELINEATOR WITH SURFACE MOUNT BASE**  
**TD5100S MODEL**

Caution Chain easily passes through the large opening of the handle.

Caution tape knob for wrap around application.

Made from 95% Post-Consumer Recycled high impact polyethylene utilizing polymer protection UV stabilizer.

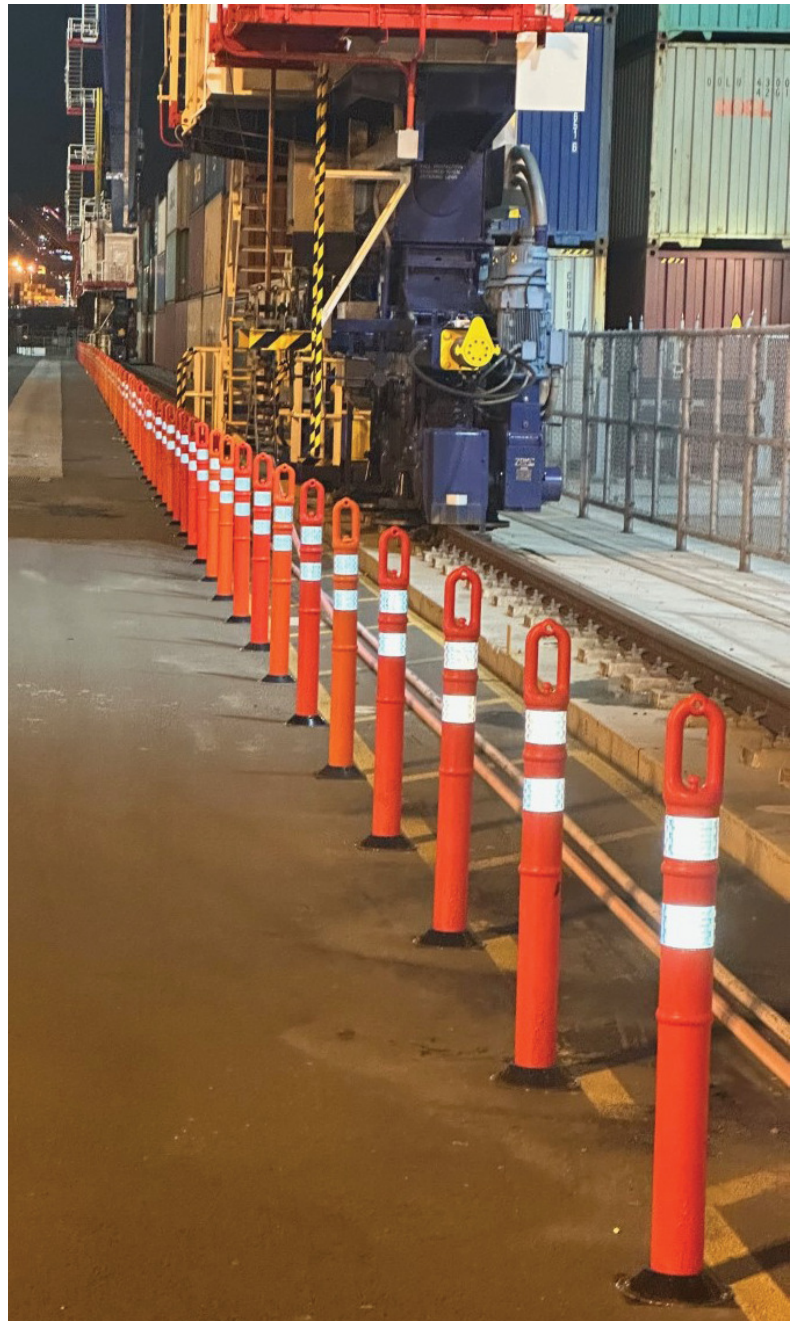

Support rings around reflective bands for added reflective tape protection.

Permanently defines your work zone.

Meets MUTCD Specifications.

NCHRP350 and MASH Category 1 certified.

Meets EPA guidelines for Recycled Content.

Mounts quickly to asphalt or concrete surfaces using butyl pads or adhesives. Molded-in holes in the base allow adhesive to flow up and thru, increasing holding power to the roadway surface or curb.

*we got the works!!*
